

**The Rio Group condemns the attack against
the headquarters of the World Food Program in Islamabad**

The Rio Group expresses its strongest condemnation to the attacks against the headquarters of the World Food Program in Islamabad, yesterday, and reiterates its absolute rejection to terrorism in all of its forms and manifestations. An attack to an organism of the United Nations System is an attack to the international community.

The Rio Group declares its solidarity with the peoples and governments of Pakistan, to the relatives as well as with the United Nations before this execrable terrorist act.
